Luxury Apartments at Four Bridges

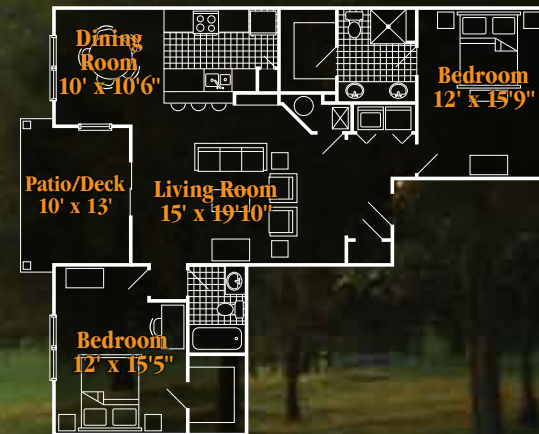

It's with great pride that Towne Properties adds Four Bridges Luxury Apartments to its outstanding collection of communities. The apartments, along with luxury landminiums and a variety of high-end single-family homes border Four Bridges Country Club and its Bob Cupp-designed Championship 18-hole Golf Course. Towne's Four Bridges apartment residents automatically become Social Members of the Club and as such are entitled to full privileges of the beautiful Clubhouse with its private dining room, meeting rooms, casual grille, intimate bar, men's and women's locker rooms—each with its own lounge—and Pro Shop as well as its three swimming pools, four night-lighted tennis courts, sand volleyball court, basketball court, paddle tennis, playground and attended Fitness and Aerobics Center. All this plus the region's finest apartments, many of which enjoy grand vistas of the first fairway. A true country club living experience.
